would be interested in writing a play, I realized I could not give her any help or support in this. Rummaging around the internet I found David Wood at www.davidwood.org.uk, who is a prolific play - write. He answered my inquiry right away with this address <http://www.jondorf.com/youngplaywrights.html> . It looks like this book will be a great help encouraging the fledgeling attempts of my Isabelle so she can hone her skills and write some good and fun plays in her early teens.1 of 1 people found the following review helpful.
