G. Manville Fenn : Young Robin Hood (Dodo Press) before purchasing it in order to gage whether or not it would be worth my time, and all praised Young Robin Hood (Dodo Press):

0 of 0 people found the following review helpful. cutesy and childishBy KrasneTigrisathis book had a great idea for a short story: a look at Robin Hood from a child's perspective. however, the story is carried by the idea and the idea alone. the characters are bland, with the sole exception of the Sheriff of Nottingham, who is not, by the way, portrayed as a villain. the writing style, in an apparent attempt at charm, comes across as being stiflingly condescending. its one saving grace is that it is a book about Robin Hood, and a mercifully short one. also, the title is misleading.0 of 0

people found the following review helpful. Three StarsBy The ChroniclerAn ok kid's story with Robin Hood in it.1 of 1 people found the following review helpful. A good book.By JeanneI've always had a fascination for Robin Hood tales, and I have to admit that a few twists in "Young Robin Hood" were surprisingly different than the usual, but still it was a very nice story, one I did not expect, but did enjoy.

Popular children's book about the young Robin Hood, first published in 1899.

About the AuthorGeorge Manville Fenn (January 3, 1831, Pimlico - August 26, 1909, Isleworth) was an English novelist, journalist, editor and educationalist.
