A. J. Gillam : Your First Chess Games (Batsford Chess Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Your First Chess Games (Batsford Chess Library):

0 of 5 people found the following review helpful. Your First Chess Games by A J GillamBy hotrodI think A J Gillam is a very good teacher of chess and presents it in a way that really helps you understand.

This book explains how the reader can improve his or her game by looking at the common traps and strategies which arise at every stage of a game. Every important idea is systematically illustrated with several samples providing a thorough grounding in the basic techniques of chess play. The book will be ideal for the novice player who has mastered the basic skills of tactics and checkmating and wants to make further progress.
